San Remo  
Italy*

*Dear Alex*

*Once again I experienced a trouble free Med season largely due to the assistance that your agency has supplied to me over my last 20 years as Captain.*

*All of your staff have been extremely helpful in sorting out various problems we have encountered this year and I hope we will continue to do business for many years to come.*

*I would not hesitate to recommend your services to my fellow Captains as I know you will give them the same great service you have given to me.*

*Kind regards*
